

# Amosteam HP

## Highpressure steam Hose

### Construction:

Tube	: EPDM, black, smooth
Reinforcement	: Plies of steel wire braid
Cover	: EPDM, “pin-pricked”, black, cloth finish, highly chemical resistant (red outer cover on request)
Temperature	: -40° C upto +235° C
Applications	: Recommended for use at refineries, chemical plants, shipyards, ships and for heavy duty industrial applications with super saturated and heated steam

### Technical data Amosteam HP

Inside Diameter	Outside Diameter	Working Pressure	Burst Pressure	Maximum Length
Inch mm	mm	Bar	Bar	Mtr
1/2" 13	25	17,5	150	40
3/4" 19	34	17,5	150	40
1" 25	41	17,5	150	40
1.1/4" 32	48	17,5	150	40
1.1/2" 38	56	17,5	150	40
2" 51	70	17,5	150	40
2.1/2" 63	83	17,5	150	40
